

# NGUYEN THI HONG DIEM

Frontend Web Developer Internship

☎ 0353905691   ✉ hongdiem060703@gmail.com   🔗 <https://github.com/hdroro>   📍 Lien Chieu, Da Nang

## OBJECTIVE

I am currently a third-year student in information technology at Danang University of Science and Technology. After a period of studying at the university, working on personal projects or with my team, I have gained knowledge in HTML, CSS, Javascript, Typescript (basic), Redux, ReactJS, Nodejs, and more. At present, I am seeking an internship as a Frontend Web Developer to further develop my skills. If given the chance to join your team, I am committed to not only advancing my current knowledge but also accumulating valuable experience in the field to contribute to the team's growth.

## EDUCATION

**Danang University of Science and Technology - GPA (current): 3.85/4.0** 10/2021 - current

Information Technology

Currently, I am a third-year student, and in the future, I aim to become a web developer.

## SKILLS

**Programming Languages** Javascript, Typescript, C/C++, C#, PHP (basic)

**Web Front-end Technologies** ReactJS, Redux, Bootstrap 5, Axios, Restful API, HTML5, CSS3, Figma

**Web Back-end Technologies** NodeJS (ExpressJS), MySQL, SQL sever, MongoDB (basic)

**Source Control** Git, Github

## LANGUAGES

**English:** Read and understand specialized documents

## INTERESTS

Exploring, Learning new things, Reading specialized English documents, Playing badminton,...

## ADDITIONAL INFORMATION

- Effective time management
- Effective problem-solving
- Critical thinking
- Teamwork proficiency
