NGUYEN THI HONG DIEM

Frontend Web Developer Internship

📞 0353905691   ✉ hongdiem060703@gmail.com   🔗 https://github.com/hdroro   📍 Lien Chieu, Da Nang

OBJECTIVE

I am currently a third-year student in information technology at Danang University of Science and Technology. After a period of studying at the university, working on personal projects or with my team, I have gained knowledge in HTML, CSS, Javascript, Typescript (basic), Redux, ReactJS, Nodejs, and more. At present, I am seeking an internship as a Frontend Web Developer to further develop my skills. If given the chance to join your team, I am committed to not only advancing my current knowledge but also accumulating valuable experience in the field to contribute to the team's growth.

EDUCATION

Danang University of Science and Technology - GPA (current): 3.85/4.0   10/2021 - current

Information Technology

Currently, I am a third-year student, and in the future, I aim to become a web developer.
